

Energy label for Customers in **England, Scotland and Wales**

Energy label for Customers in **Republic of Ireland and Northern Ireland**

The image shows a UK energy label for a refrigerator. At the top left is the Union Jack flag followed by the word "ENERG" in blue with a lightning bolt icon. To the right is a QR code. Below this, the word "ESSENTIALS" is on the left and the model number "CTF55W22" is on the right. A vertical scale of seven energy efficiency bars is shown, labeled A (green), B (light green), C (yellow-green), D (yellow), E (orange-yellow), F (orange), and G (red). A black arrow points to the F bar. Below the scale, the energy consumption is listed as "236 kWh/annum". Underneath is a snowflake icon with "165 L" below it, and a speaker icon with "40 dB" and "ABCD" below it. A small vertical date "2019/2016" is at the bottom right.
